Mission Statement

To help people, young and old, combat the circumstances and trials they face by compelling them to establish a relationship with Jesus Christ. Our purpose is to spread the message of salvation to all individuals, families, and communities, regardless of race, ethnicity, gender, socio-economic status, or perceived disability. Thus, we seek to provide the word of God in new and innovative ways to refresh those who have already accepted him as their savior, attract others who do not know him, and change the manner in which Jesus is depicted and perceived.

Foundation of Diamikes Management Ministries

Diamikes Management Ministries was birthed by Divine Illumination! Having being exposed to the world of entertainment from the secular to the spiritual side, we saw the need not only to provide a forum for the emerging artist, but to foster both talents & gifts that had been given. DMM, is not about exploiting the talents of its artists, nor to capitalize on their gifts, rather it's designed to be the bridge between ones aspirations to dreams that become a reality!

Diamikes Management Ministries prides itself on having a diversified staff along with a rainbow of anointed artist! Our greatest asset is our roster we've been BLESSED to have. DMM has been given a humble spirit with grace & dignity. Yes, DMM is "Management with Class". While most management companies end result are revenue driven, DMM though conscious of financial success, prides itself holistically.

We, at DMM, strive to present to our clients with a roster of Christian Artists that understand the move of the spirit and believe in accentuating the business professional that is much needed in today's market place.
